Beware the [illegible] of dragons
Beware the stalker of dreams
Beware the talons of power and fire
Beware the one who is not what she seems
Something is coming to shake the Earth
Something is coming to scorch the ground
Jade mountain will fall beneath thunder and ice

WINGS OF FIRE

FAN ART COLLECTION

HELLO LOVELY EVERYONE!

I am so delighted and amazed by all the pieces of art in this book—I can't wait for everyone to see them! It was incredibly hard to narrow down which artwork to print, and I wish we could have included everyone because they were truly all so wonderful. Thank you to all the artists for your imagination, your hard work, and your creativity! The dragons and I adore you!

Art in any form helps us connect—to other people, to our favorite stories, to our inner selves—and makes the world a brighter, kinder, more empathetic place. That's what you're doing with everything you make. And no one else can imagine the exact art that's inside you; that's why yours is so important!

I hope you all keep drawing and creating and connecting and making beautiful things—both the artists in this book and all of you out there who love to draw dragons (or anything else!). I'm very grateful for you!

WITH LOVE AND WINGS OF FIRE,

Tui
